

# REELTIME ANIMAL RESCUE'S COMPASSION EDUCATION: CONNECT & INSPIRE PRESENTER

## JIM JONES - MONTANA'S WILD HORSE SANCTUARY

Hi, I'm Jim Jones, President and Founder of Montana's Wild Horse Sanctuary. Our mission is simple yet profound: to provide the best life possible for the American Mustang, wild and free under the vast Montana sky. These magnificent horses embody the untamed spirit of the West, and through our sanctuary, we aim to protect and celebrate their legacy while educating others about their importance.

Montana's Wild Horse Sanctuary is a non-profit, no-kill 501(c)3 organization dedicated to rescuing Mustangs from Bureau of Land Management (BLM) holding pens. Horses with promising temperaments undergo gentle handling through natural horsemanship techniques, preparing them for adoption into loving homes. For the others, we provide a sanctuary where they can roam freely and live as they would in the wild.

Through participation in ReelTime Animal Rescue's Compassion Education program, we are excited to expand our mission by reaching classrooms around the world. This platform allows us to share the story of the American Mustang, the challenges they face, and their importance to our history and culture. By connecting virtually with students, we can inspire a new generation to appreciate and protect these incredible animals.

Thank you for supporting our mission and helping us create a world where these remarkable creatures can thrive. Together, we're keeping the legacy of the American Mustang alive and wild.
