

REELTIME ANIMAL RESCUE'S COMPASSION EDUCATION: CONNECT & INSPIRE PRESENTER

JEFF & TERRI ROBINSON - SEMO EXOTIC SANCTUARY

Hi, we're Jim and Terri Robinson, founders of SEMO Exotic Sanctuary, where we are dedicated to offering permanent, loving homes to animals in need, with a primary focus on primates. Our sanctuary was created to provide a safe haven for animals who, through no fault of their own, need a fresh start and a place to thrive.

At SEMO Exotic Sanctuary, our mission goes beyond rescue. While we care for a variety of exotic animals, our work is largely centered on primates—remarkable creatures with unique needs and incredible intelligence. We are passionate about educating others about these amazing animals, their behaviors, and their specific care requirements. By highlighting how God uniquely designed each of His creations, we foster a deeper appreciation for primates and all exotic species, advocating for their well-being and respect.

Every animal at our sanctuary becomes a part of our family, receiving individualized care, enrichment, and a forever home where they can live their best lives. From sharing the fascinating details of their species to advocating for proper care and respect for all creatures, we believe education is key to creating a compassionate and informed community.

We're also excited to partner with ReelTime Animal Rescue's Compassion Education program, where we can virtually reach classrooms around the world. Through this platform, we share our sanctuary's mission, the unique stories of our primates, and the vital lessons they teach us about respect and responsibility toward all living beings.

Together, we can inspire a deeper connection to the natural world and ensure a brighter future for these extraordinary animals.
